3) These papers relate to representations submitted by Messrs. S. Raghavachar, acting ~~Special~~ Assistant Comptroller, and G.V. Srinivasa Iyengar, Senior Supdt Comptroller's office, for releasing one more post of Assistant Comptroller from the Civil Service to the (Subordinate) non-Civil Service.

4) The position in this respect was reviewed by Govt. recently on two occasions. In G.O. d. 24.10.33 ~~the proposal was fixed as follows~~ one ~~post~~ post of Asst. Comptroller was released from the Civil Service to the Subordinate service, and one post of Asst. Com^r. under training was revised so that the allocation stood as follows:

Officers directly recruited: 4
Officers from Subordinate Serv: 3 (+1 raised from 2 to 3)
Civil Service : 3 + 1 under training
10 + 1 under training

In response to a further representation that one more C.S. post may be released to the Subordinate service in view of the appointment of Mr. M. Viraraj Urs as Dy. Compt^r, Govt. stated in Feb^y 1934 that they were not in favour of any further reduction in the Civil Service Strength.

7) The position in brief has been that the retrenchment of officers in the Account Dept. has affected both the Civil Service, as well as the Subordinate Service officers, as the four directly recruited officers had to be continued and no reduction in their number was possible. The representation now made is that either one of these directly recruited Asst. Comptrollers may be transferred elsewhere and a vacancy released for the Subordinate Service or that one more Civil Service vacancy might be released for the benefit of the Subordinate Service. It may not be easy to find a place elsewhere for any of the directly recruited men. ~~with~~ The question of reducing the Civil Service strength further is one for orders. It is submitted in this connection that one more Asst. Comm'r. has been posted to the Comptroller's Office for training but this is only a temporary arrangement & after one of them is absorbed on completion of training, there will be only one officer left as before.

For Consideration

8) If it is deemed necessary to show any further concession to the subordinate service, it may be possible to consider this in connection with the vacancy of Dy. Comptroller (or Railway Auditor) likely to arise in the near future. If a non-civil service is appointed D.y. Compt. or Auditor, a consequential vacancy ~~of~~ ~~may become available~~ can be made available for promotion from subordinate account service if Govt. deem fit.

9) The Financial Secretary ~~may~~ may perhaps be also consulted

(Sd 27/6/34) 10) I think there should some finality in these matters. I was just three months ago that post fixed the strength of the ~~inspection~~ various elements in the Gazetted Staff of the Comptroller's Office & there always is a regret for reconsideration. I think the present proportion may continue some time longer.

11) The Comptroller in his letter No. 743/Es. dated 22nd January 1934 solicited orders of Government regarding the question of allocating the appointments of the rank of Deputy Comptroller in the Account Department among the Civil Service Officers and Non-Civil Service officers of the Account Department. His suggestion was that out of three posts of Deputy Comptrollers one might be allocated to the Civil Service group and two to the others and that if a Civil Service Officer be appointed to a vacancy allotted to the Non-Civil Service group, a corresponding place of Assistant Comptroller might be given to the latter.

12) This officer reply No. 2634/C.B. dated 7th February 1934 to the Comptroller has not conveyed definite orders of Government on the point raised by the Comptroller.

The representations of Messrs S. Raghavachar and G.V.Srinivasaiengar appear to refer to the specific point raised by the Comptroller. In the notes of discussion in ~~the~~ C.B. File 47-33-3 and in our reply to the Comptroller it has been stated that "the points urged by the Comptroller were duly considered by Government while sanctioning the appointment of Mr. M. Viraraj Urs as Deputy Comptroller etc." If a final decision as regards the specific point raised by the Comptroller has been arrived at, the same may be communicated to the Comptroller.

laid down that out of 13 Gazetted posts of the Account Department (10 Assistant Comptrollers and 3 Deputy Comptrollers) 4 posts in all will be held by Civil Service Officers (i.e., 3 Assistant Comptrollers and 1 Deputy Comptroller or 2 Assistant Comptrollers and 2 Deputy Comptrollers, according to exigencies of service) without fixing the number of Civil Service Officers, separately, in the cadre of Deputy Comptrollers and Assistant Comptrollers. If this is done, it is open to Government to post Civil Service Officers for one or two posts of Deputy Comptroller (the minimum number of posts of Deputy Comptrollers to be held by either Civil Service or Non-Civil Service officers being one) as the exigencies of service may demand, and at the same time there will be no grievance on the part of the subordinate staff of the Account Department and the Civil Service Element in the Comptroller's office will be fixed.

The Fin. Secy. proposes that the posts of Dy. Comptroller (3) & the posts of Asst. Comptroller (10), may be treated as one combined unit for purposes of allocation between the Civil Service and non-C.S. ~~Off~~ cadres. There is ~~only~~ one difficulty in regard to this. The appointment of Dy. Comptr carries a pay of Rs 600-40-800 and is ~~not~~ one which cannot be held by a Civil Service Officer (Asst. Comm^{r} or Secy A.C) as such, and is only a higher post to which a C.S. Officer can be promoted. In fact a C.S. Officer permanently promoted to the grade of Dy. Comptroller ceases to be borne in the general C.S. cadre unless specially ordered otherwise.

So the proposal of the Fin. Secy & Compt is in effect, that the strength of the Civil Service cadre may be varied according as one post or two posts of Dy. Comptr are held by Officers promoted from Civil Service.

Reference is invited to paras 38, 41(3), 44, 45 & 47 in C.B. 47-33. This point was considered and it was the view of the Members of Council and Dewan that no definite proportion need be fixed in regard

Comptr & Asst. Comptroller into one unit and lay down a general rule of allocation ~~[illegible]~~

The point urged by the Comptroller & Fin. Secy. may perhaps ~~be more~~ to conveniently dealt with when the question of filling up of a vacancy actually arises in the grade of Dy. Comptr. Such an occasion has arisen now in connection with the arrangements consequent on the appointment of Mr A.N. Raghavachar as Comptroller. Mr. M. Virabaj Urs is intended to be transferred as Auditor and another post of (Civilian) Dy. Comptr released thereby will have to be filled up ~~[illegible]~~ If a non-civil Service Asst. Comptr is promoted as Dy. Comptr in the vacancy, one Asst. Comptroller's vacancy will be released for the Subordinate Account Service ~~[illegible]~~ without affecting the sanctioned cadres.

Sir,

I have the honour to forward herewith for favourable consideration a representation in regard to ~~his~~ chances of promotion - submitted by Mr.G.V.Srinivasa Iyengar, a senior superintendent in my office. Submitted to the Comptroller.

I am a senior Superintendent in the Office, in charge of the Books, Budget and Resource Section. Prior to 1928 the Section was in charge of a Gazetted Officer and since then I have been doing under special sanction of Government all the work that was being done before by an Assistant Comptroller. I officiated as Assistant Comptroller continuously for about six months in 1929 but owing to the abolition of 4 Gazetted places, 2 permanent and 2 temporary, in 1931 on account of retrenchment, the chances of my getting a Gazetted place have become rare. There was some hope of my being promoted to a Gazetted place when senior officers in the Department retired on account of superannuation; but when Mr.M.A.Rangachar, an officer promoted from the subordinate service retired on 1st July 1934, a Civil Service Officer was posted in his place.

2. The number of Gazetted places held by the subordinate service men, was 9 prior to 1931, but it is now 4 plus 1 temporary (for K.R.S. Works Audit) likely to be abolished shortly. I may be permitted to quote some principles previously ennunciated by Government regarding recruitment of officers to the Accounts Department. (vide annexure).

3. I may probably get a Gazetted place in the department if either a Civil Service or a Non-Civil Service Officer (out of the three directly recruited) is withdrawn in place of the additional Civil Service Officer posted to the Department. I beg that a representation to Government may be kindly sent in the matter.

Sir,

I have the honour to forward herewith a representation made by Mr. S. Raghavachar, Acting Assistant Comptroller. The representation is similar to that made by Mr. G.V.Srinivasa - Iyengar and forwarded with my letter No. 1152/E5 dated 4/5 May 34. The subordinate officers of this department have suffered largely in consequence of direct recruitment specially to the Account Department and the retrenchment of the last few years. The request in these cases deserves the favourable consideration of Government.

COMPTROLLER.

MCB.

To

The Comptroller to the

Government of Mysore,

B a n g a l o r e.

Sir,

As you are aware, I am one of those who are very highly qualified and with a good record of my character and work. I have already been in the grade of Assistant Comptroller for nearly 5 years and am still holding a temporary post only, the abolition of which and my consequential reversion may happen at any time. The extent to which I have suffered in connection with the retrenchments was recognised by you yourself as well as by the previous Comptroller and my case recommended to Government for special consideration but owing to my ill luck, I got no redress.

When Mr. M.A.Rangachar, Deputy Comptroller, retired from 1st January 34, I hoped that as he was a Non-Civil Service Officer, the vacancy released by him would be filled up by promoting a Non-Civil Service Assistant Comptroller in the Department. But as Mr. Viraraja Urs, was appointed to the place it was thought that the scale of Civil Service Assistant Comptrollers would at least be reduced by one in this Department. As neither of these has been done, I beg leave to approach you with the following representation showing how adversely this affects the members of the subordinate staff of this department, among whom I am one and to pray for your favourable consideration thereof.

1. In 1923, out of 7 permanent Assistant Comptrollers 4 were held by Civil Service Officers and 3 by subordinates of the department.

2. Besides these, 3 other temporary and other appointments (like the Accounts Assistant to the Chief Commandant and the Chief Electrical Engineer) were also held by the Non-Civil Service Assistant Comptrollers i.e., 6 places in all out of 10.

3. In 1924 when the scale of Civil Service Assistant Commissioners allotted to the several departments was reorganised the number of Assistant Commissioners attached to this department was reduced to 3 only (vide G.O.No.757-80/C.B.210-23-10 dated 22-9-24).

4. The position thereafter was that out of 8 regular places, 5 were open to Non-Civil Service Officers in addition to 3(other posts outside the scale) or 8 out of 11 in all.

5. The G.O. of 1924 also guaranteed that one out of the two places of Deputy Comptrollers shall ordinarily be held by a Non-Civil Service Assistant Comptroller and also ennunciated the principle regarding recruitment (vide remarks extracted in Annexure I(A).

6. Para 3 of G.O.No.Fl.6324/G.F.23-25-94 dated 6-5-1926 (extract given in Annexure I(B) guaranteed 1/3 of the total number of Gazetted appointments to the Superintendents of the Comptroller's Office.

7. When the department was expanded under the scheme of decentralisation or strengthening of internal

by

audit in large departments such as Agriculture, Forest, Military etc., four probationery officers were directly recruited all at once and this has permanently reduced the chances of promotion of the Superintendents, as they continue though there was contraction in 1931 when four Gazetted places were abolished almost simultaneously. There were 17 to 18 Gazetted posts between 1927 to 1931 and more than 40 percent thereof were held by the Subordinates.

8. Annexure II shows the number of Gazetted appointments in the Accounts Department and percentage held by the Civilians and Non-Civilians during the last 10 years from which it will be seen that while the number of Civil Service officers was increased whenever there was expansion in the department as for instance in 1929 (when the post of Financial Assistant to the Director of Agriculture was created) and the number of directly recruited officers remained constant, there was no reduction in the Civil Service cadre during 1930 and 1931 though there was a reduction in the number of Gazetted posts and the Subordinates of this Department have in consequence suffered.

9. In G.O.No.1134-35/C.B.47-33-1 dated 24-10-33 Government have recognised the hardship caused to the Subordinate service of this department and released a permanent post of Assistant Comptroller to them. But without belittling this concession, I beg to point out that this falls short of the assurance held out in G.O. dated 6-5-26 referred to above according to which a minimum of 1/3 of the

Gazetted places was guaranteed to them.

10. It was however felt that the post of Assistant Comptroller, Krishnarajasagara Works Audit would be continued permanently and that after the retirement of Mr. M.A.Rangachar, Deputy Comptroller, the vacancy would as before be filled up by a Non-Civil Service Assistant Comptroller and the consequential vacancy made available to the sub-ordinates. The appointment of Mr. M.Veeraraja Urs, as Deputy Comptroller, has taken away the benefit sought to be conferred by the G.O. of October 1933, in as much as against 5 places of G.O'S (Two Deputy Comptrollers and 3 Assistant Comptrollers) held by the Non-Civil Service only 4 (1 Deputy Comptroller plus 3 Assistant Comptrollers) are assured for us now.

11. If the temporary post of Assistant Comptroller for K.R.S.Works audit should also be abolished as repeatedly contemplated, the position will be that only 3 places of Assistant Comptrollers, which is the lowest on record, will be available for us. The loss of an appointment in the higher grade seriously affects 5 officials at least in the chain of arrangements.

12. In the past, whenever the post of Assistant Financial Secretary was held by a Non-Civil Service Assistant Comptroller, the number of Civil Service Assistant Comptrollers in this office was being correspondingly increased. If our hardship is to be redressed, I submit, that a similar rule may be ~~gra~~ framed that whenever 2 out of the 3 posts of Deputy Comptrollers are held by Civil Service Assistant Comptrollers, the number of the latter will be reduced by one.

13. This will not in any way affect the Civil Service cadre for the whole state, since it would only mean that as against 57 Assistant ~~Comptrollers~~ Commissioners, there will be 56 appointments on Rs.250-450 and one on Rs.600-800 available to that class of officers. Inter alia this substitution ensures to the benefit of both an Assistant Commissioner and a Senior Assistant Commissioner as they would naturally get promoted to the higher grades.

14. In view of the foregoing, I respectfully beg to request you to move the Government to consider this humble request favourably and obtain orders either (i) to reduce the number of Civil Service Assistant Comptrollers in this department by one or (2) to transfer one of the directly recruited Assistant Comptrollers to the General Civil Service cadre and make the consequential vacancy available to the subordinates.

I shall feel grateful if this is kindly forwarded to the Government in the Financial Department with your strong support and the general question raised above is got settled in our favour so that the department may not suffer more than it has already done and I may get confirmed in my position.

I beg to remain,
Sir,
Your most obedient servant,

Bangalore,
